K. R. Srinivasiengar Esquire, M.A.,
Inspector General of Police in Mysore.

To

C. S. Balasundaram Iyer Esquire, B.A.,
Chief Secretary to the Government of His Highness the Maharaja of Mysore, BANGALORE.

Sir,

I have the honor to state that during my visit to Koppa in January last, it was represented by the people that the Kasba Range/police station which is now located in a room in the Taluk Cutcherry building at Balgadi may be shifted to the Koppa Town proper. From my inspection of the place and after a discussion of the subject with the Deputy Commissioner and the Superintendent of Police as well as the townspeople, I think that the following alterations in the police arrangements of the place are necessary in the interests of the public:-

i. The Kasba Range Station to be shifted from Balgadi to Koppa, the Jamedar, the Drill Instructor and 12 of the constables being stationed there, the Jamedar taking up the present Inspector's quarters at Koppa.

ii. The Inspector who has his quarters now at Koppa to be shifted to Balgadi to occupy the quarters now used by the Jamedar there, with some slight additions and alterations being made to it.

iii. There are now lines at Koppa for 8 men, but they are

incommodious and ill-ventilated, and with some alterations can accommodate only 4 constables. Lines for 8 more constables and the Drill Instructor to be built at Koppa on the latest type design. A separate station building is not needed, as the present one at Koppa will quite serve the purpose.

2. Estimate and plans for Lines for 13 men at a cost of Rs.11,425/- to be constructed at Balgadi have recently been sanctioned and the work proposed to be taken up next year, but I have asked the Executive Engineer to defer the starting of the work until further instructions. If the proposals made above are approved, the Executive Engineer will be asked to arrange for the construction of the lines at Balgadi only for a Duffedar and 6 men who will be stationed there and then for the remaining men including the Drill Instructor at Koppa instead of Balgadi.

3. I request that in the circumstances, you will be so good as to obtain the approval of Government to these proposals made above.

I have the honor to be,

Sir,

Your most obedient servant,

Asst.to the Inspector General of Police
